

LASER SURGERY MASTERCLASS

From Open to Minimally Invasive Procedures

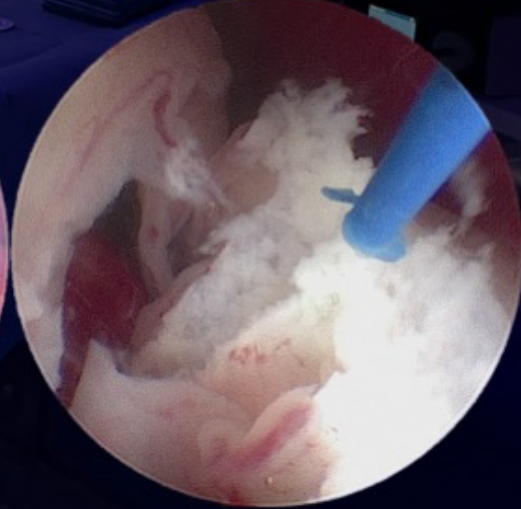

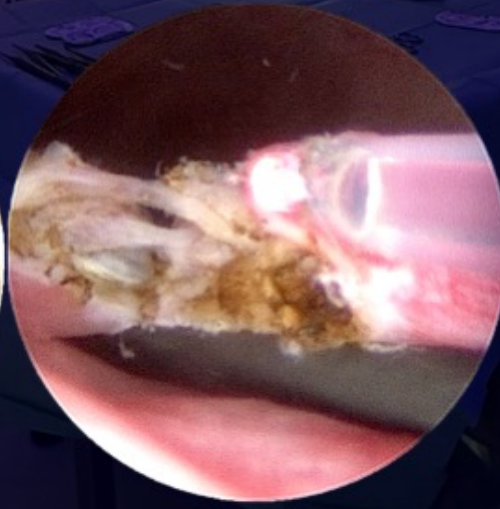

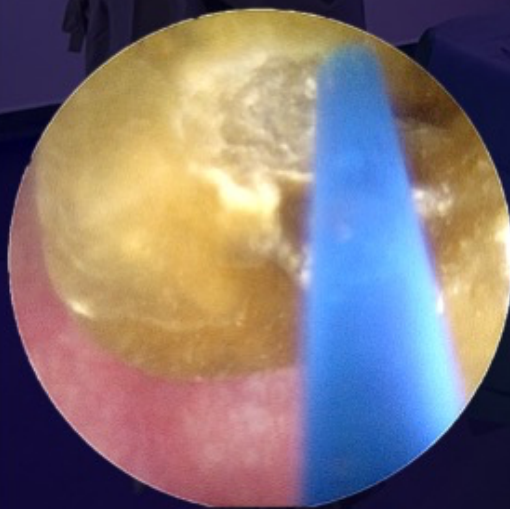

December 15-16th, 2025

2-day Masterclass with in-depth technique knowledge, comprising theoretical lectures and corresponding full-day hands-on session.

INNOVATIVE – UNPRECEDENTED – STATE-OF-THE-ART

Lecturers:

- Jakub Kaczmarek, DVM, Dip.ECVS
- Joris De Swert DVM
- Fausto Brandão DVM, MSc., VEAMIS

Registration only secured by email and followed with payment

Registration only online through: www.versavet.com

ORSI ACADEMY – Proefhoevestraat 12, 9090 Melle, BELGIUM

Organization:

The registrants will be involved in all theory regarding the use of laser in open surgery and minimally invasive procedures. Endoscopic guided laser procedures such as for lithotripsy and urinary neoplasia will be covered and emphasized as the standards of care progress towards minimally invasive and image-guided interventions.

LASER SURGERY MASTERCLASS

Lecturers:

- Jakub **Kaczmarek**, DVM, Dip.ECVS
- Joris **De Swert** DVM, MSc.,VEAMIS
- Fausto **Brandão** DVM

Lectures: Van der Valk Hotel Gent – Akkerhage 10 – Nieuw Gent-UZ, 9000 Ghent - Belgium

Practical: ORSI ACADEMY – Proefhoevestraat, 12, 9090 Melle - Belgium

Day 1 agenda Theory

08:30 – 09:00 – Registration

09:00 – 09:15 – Welcome and foreword from VERSAVET

09:00 – 09:45 – Basic physics and principles of laser light and energy

09:45 – 10:30 – Introduction to CO2 laser energy, technique and operative modalities

10:30 – 11:15 – Introduction to Diode laser energy, technique and operative modalities

11:15 – 11:35 – Coffee break

11:35 – 12:20 – Introduction to Holmium:YAG and Thulium laser energy, technique and operative modalities

12:20 – 13:00 – Multiwavelength units and practical aspects

13:00 – 14:00 – Lunch break

14:00 – 14:45 – Skin and open surgical applications

14:45 – 15:30 – ENT applications (oral cavity and transoral applications ear canal)

15:30 – 16:00 – Coffee break

16:00 – 16:45 – Urinary applications

16:45 – 17:30 – Lower respiratory and endoluminal gastrointestinal applications

17:30 – 18:00 – Open discussion and debriefing of theoretical session

Day 2 agenda Practical – Rotation among Laser Stations

09:00 – 12:30 – Dermatological applications, ear canal, oral cavity and transoral applications

12:30 – 14:00 – Lunch break

14:00 – 17:00 – Urinary applications, lower reparatory and endoluminal gastrointestinal applications.

17:00 – 17:30 – Debriefing of practical session, discussion and course diplomas

Registration: info@versavet.com

Masterclass fee: 1650,00 € (early bird until July 31st, 2025)

After August 1st, 2025: 1800,00 €

Suggested lodging:

Van der Valk Hotel Ghent – at your own reservation (Akkerhage 10, 9000, Ghent, BELGIUM)

Masterclass dinner included in registration (December 15th, 2025)
